Add CV Mobile to Android

1 Google Chrome and Safari are the recommended web browsers. If you use a different browser and notice any issues, we will recommend using Chrome.

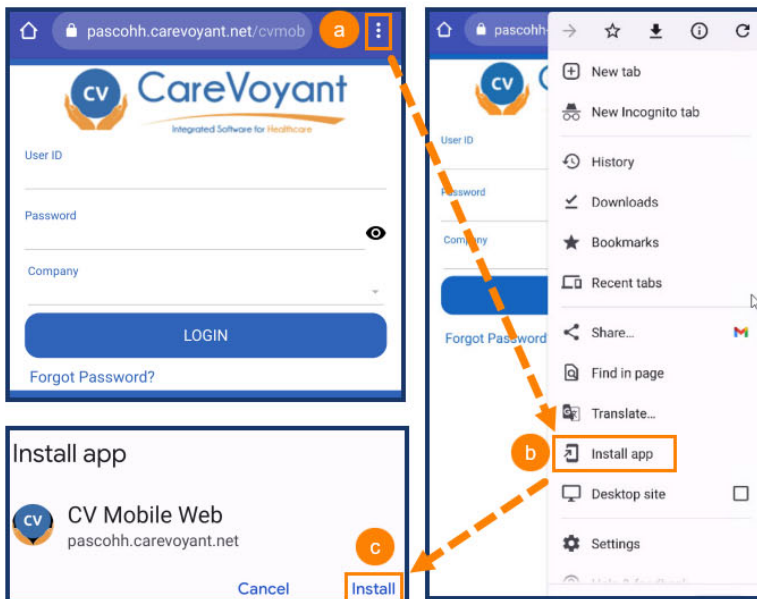

To access CV Mobile, scan the QR Code or enter the web address.

NOTE: CareVoyant Mobile is not available in the Play Store.

2 **Note:** A different version of Android or Chrome may look a little different. The words may be "Add to Home Screen" or "Add" rather than "Install".

- a** Press the Ellipsis menu.
- b** Press Install app.
- c** Press Install.
