

Navigate CV Mobile

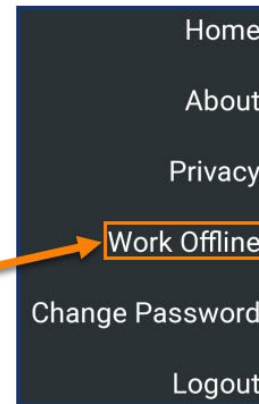

Home Screen

a CareVoyant will display Offline if you lose Internet access.*

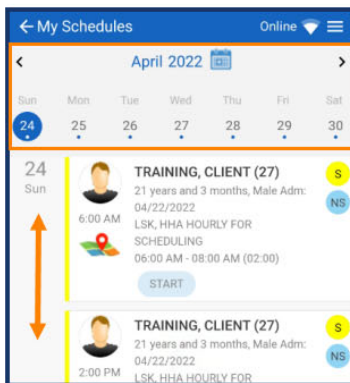

*See the Work Offline document for directions.

b The Hamburger Menu is available from any screen. You can return to the Home Screen, change your password, or logout.

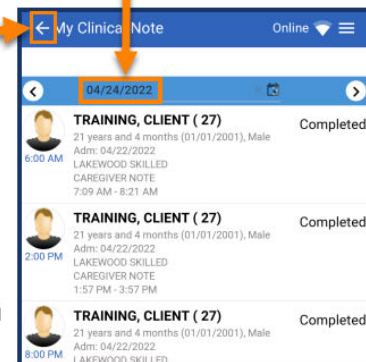

Note: If you have connectivity issues, you can click Work Offline* and sync later.

c View past or future visits by scrolling up or down, or interacting with the calendar at the top of the screen. See the Introduction to a Visit document for more information.

d Completed visits can be seen in My Clinical Notes. Select the appropriate date at the top of the window.

Use the back arrow at the top of each screen to return to the previous screen.

e Pending Notes contains incomplete visits.

f Reopened Notes would only contain a note if PASCO reopened a visit.
