

Add CV Mobile to Android

- 1** Google Chrome and Safari are the recommended web browsers. If you use a different browser and notice any issues, we will recommend using Chrome for Android.

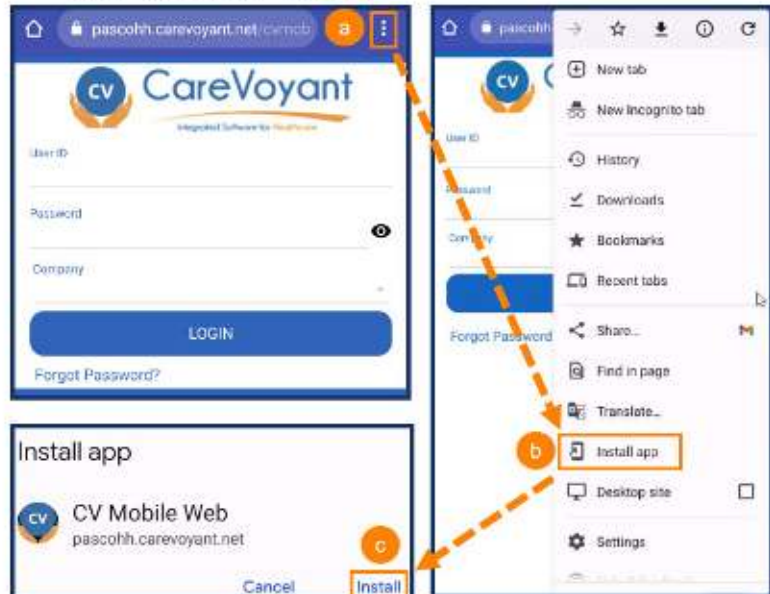

To add CV Mobile to your Home Screen using Chrome,* scan the QR Code or enter the web address.

NOTE: CareVoyant Mobile is not available in the Play Store.

- 2** **Note:** A different version of Android or Chrome may look a little different. The words may be "Add to Home Screen" or "Add" rather than "Install".

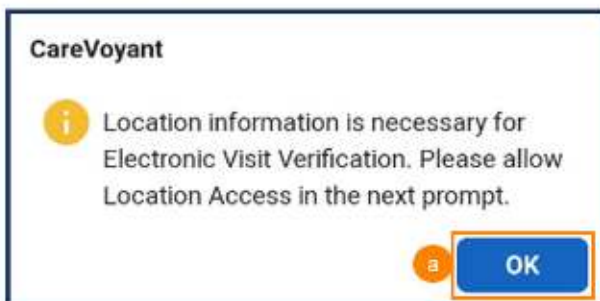

a Press the Ellipsis menu.

b Press Install app.

c Press Install.

- 3** **Location is required for EVV Visits.** Your Android device will ask you permission to use Location prior to your first visit.

a Press OK.

b Press Allow.
