

# PASCO - CareVoyant

EVV

## Navigate CV Mobile

### Home Screen

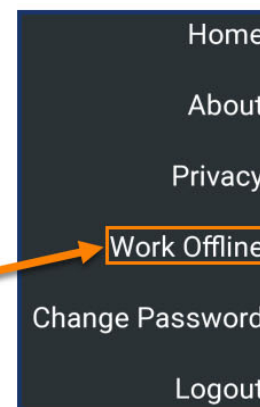

- a CareVoyant will display your connection status.
- b The Hamburger Menu is available from any screen.

#### COMING SOON

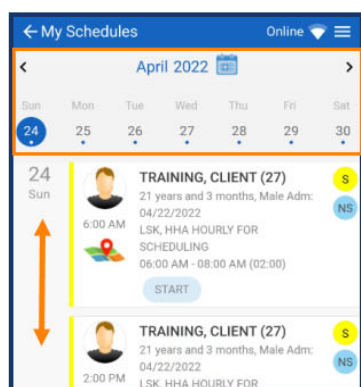

**Note:** If you have connectivity issues, you can click Work Offline\* and sync later.

\*See the Work Offline document for directions.

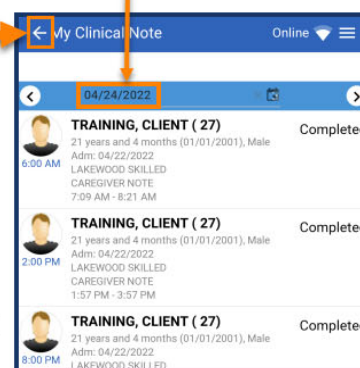

- c View scheduled visits by scrolling up or down or using the calendar.\*\*

\*\*See the Introduction to a Visit document for more information.

- d PASCO sends alerts and notifications using My Messages. The best way for you to contact PASCO is by emailing [support@pascohh.com](mailto:support@pascohh.com) or calling (303) 233-3122.

- e Completed visits can be seen in My Clinical Notes. Select the appropriate date at the top of the window.

Use the back arrow at the top of each screen to return to the previous screen.

- f Pending Notes contains incomplete visits.

- g Reopened Notes will only contain a note if PASCO reopens a visit.
