

PASCO - CareVoyant

Use CV Mobile on a Computer

You can access CV Mobile on your computer with Google Chrome or Safari web browsers.
To start, go to: <https://pascohh.carevoyant.net/cvmobileweb/>

1 Create a desktop shortcut on your computer using Chrome.

a Click the Install button.
b Press Install.
c A Shortcut will be added to your desktop.

Note: Other versions of Chrome or Safari may look slightly different. The words may be "Add to Home Screen" or "Add" rather than "Install".

2 Add a bookmark in Chrome.

a Click .
b Edit the bookmark name.
c Press Done to save the bookmark.

3 Add a bookmark in Safari.

a Click .
b Click Add Bookmark.
c You can rename the bookmark before saving.
